

Per U.S. government requirements, all grant recipients must have a DUNS number as a part of their application form and grant agreement. DUNS is a nine-digit number, that is a unique code for a company or an entity, which is available in the database of Dun and Bradstreet (D&B) Ratings.

How to receive a DUNS number?

Get in contact via phone or send e-mail to:

A.B.M. Ryzyk-Inform Ltd. (official representative office of Dun and Bradstreet in Ukraine)

33, Osinnya St., Kyiv, 03164

Tel.: +38 (044) 499-0099

info@dnb.com.ua

www.dnb.com.ua

Please be aware that the process of receiving DUNS is **FREE**.

DUNS number is not activated right away. It takes several days since the registration for the DUNS to become activated. Only when you receive the confirmation that the number is activated, can it be indicated in the application form and entered into the SAM.gov.
